Friendly neighbors will help you. The story begins when your Uncle George gives you an old farmhouse, your task is to bring it back to its heyday. Of course you will be involved in the management of this farm, turning it from a dry land into a fertile farm, but you can't afford a big farm like this. Friendly neighbors will help you. The game allows you to build your own small village, grow rice, vegetables and of course livestock. Big Farm: Mobile Harvest Mod APK will bring you a fresh, fun and wonderful atmosphere to your beautiful little phone. Become a hardworking farmer Like any other farm game when they started, players will be given a small piece of land for farming. Plants will grow according to the game hours, and of course you have to wait, or you can use fertilizer to reduce the time to harvest faster. The way to grow plants is simple: the player simply touches the naked plots and sows seeds that are brought into the basket. There are many common and incredible plants. Organic plants make you more profitable in the long run because they can be recycled. High-dimensional transgenic plants are super large, which are sown by friends and re-planted, are also profitable if you sell them. Raise more cattle and poultry, wait for them to grow and produce milk or meat. Trading in the products that are made with the money you earn after each harvest, you can do a lot of work. Buy fertilizers or plant varieties, continue to expand the soil for cultivation. Or even buy good rickshaws to get food for sale. After all, your job is to make as much money as possible. Like all farm games, Big Farm: Mobile Harvest Mod for Android has a stunning graphics with beautiful details along with eye-catching scenery and zoom and pan mode. The way to control the protagonist of the game is pretty simple. The main character of the game is pretty simple. You no longer need the touch buttons that appear on the screen. Instead of just hitting, your character will move there. Another plus point, big farm: mobile harvesting brings us, is the community element. Players can befriend people all over the world, visit their farms, trade and exchange items with them and help each other. In addition, there are a few virtual characters that will come to your farm on a regular basis, they want to buy or sell products. Graphics, sound Big Farm has a beautiful 3D graphics, not inferior to other farm Comparable to Hay Day or Big Little Farmer. You can zoom in to work more efficiently Zoom out to see your farm from above. You will feel peaceful, happy every time you visit his farm. The sound in the game is noisy, not busy, instead only country music so tender so players can get into the mind. Big Farm: Mobile Harvest other feature Play for free, log in through social networking accounts like Facebook or Google+.
